Changing Lives by Christ Centered Living

Congratulations on completing ChristTown Ministries' one-year rehabilitation program! As you continue your journey with Jesus in recovery, we want you to remember—we are on your side!

Our goal is to provide you with a safe and nurturing place to continue growing in Christ and preparing for living out on your own. It is important to remember that in being dependent on Jesus and living by His Word as the center of your life, you will ultimately get to the place where you can live independently of any assistance other than His divine will for your life. By continuing to remain part of ChristTown's program, you are agreeing to the following:

1. Support & adhere to ChristTown ministries program guidelines to aid in the recovery of those coming up behind you;
2. Not take any anti-depressant, narcotic pain killer(s), anti-anxiety, or other mind/mood-altering medicines. Any medications you take must be approved in advance by the Men's Director.;
3. Attend all four Family Meetings administered by ChristTown;
4. CMI leadership panel will approve any outside employment with Pastor/Director having final approval;
5. Agree to random inspections of your living quarters, bags, dressers, bunks, phones, and autos (if applicable);

Again, congratulations! I am praying that your journey will be as awesome as mine has been. Jesus is alive, and He rescues and saves!

In Him,

Laura J. Wells
