Changing Lives by Christ Centered Living

Where do I begin to update you on all the awesome things happening at ChristTown Ministries? Jesus truly is alive, and He rescues and saves! To the right of this article are bullet points that list some of the education classes (except for the last category, Benevolence) administered by ChristTown, with the total number of hours each class has been taught. What a joy to train and teach men how to obtain freedom in Christ and keep it! Also, ChristTown has taught 366 class hours of Biblical Studies to non-residents. The figure in the Benevolence column represents the number of items (such as furniture, food, clothing, and household items) ChristTown has given to people in the community since January 2012. Donations are used not only for the residents but also to help those in our community who have needs. Other than monetary, furniture, household items, and clothing donations, our fund-raising activities include the Thrift Store, our moving business, recycling metal, and baling clothing. Through volunteer work in these fundraising activities, all the men in our program receive not only education and recovery help, but also skills to aid them in being better employees when they graduate from our program. Please visit us in person, on our Facebook page or website for further details!
